Subject: [REDACTED] Proposal No. 552A

[REDACTED] STATINTL

Enclosed is a confirmation of estimates for three (3) Stereo Viewers No. 552A.

STATINTL

As discussed on the telephone today, we received, on December 9, 1963, a firm price quotation for precision ball lead screws from [REDACTED] for a cost of [REDACTED] per unit. This quotation is based upon the engineered requirements of viewer 552.

The estimated cost of [REDACTED] as previously submitted on Schedule I, was used for negotiating purposes and had been based upon a verbal commitment from [REDACTED]

We respectfully request your consideration to include these costs in the pending contracts.

The total cost for three (3) units is [REDACTED]. The cost and following delivery are predicated upon the authorization to proceed by December 16, 1963.

First Unit - eight (8) months.  
Second Unit - ten (10) months.  
Third Unit - twelve (12) months.

If a fourth(4th) viewer is procured by January 1, 1964 for current manufacturing, delivery can be made within twelve (12) months or sooner at a cost of [REDACTED]. All other terms and conditions are applicable.
